**BOSSIER PARISH ELECTIONS FEATURING BLACK CANDIDATES 1979-1993**

The attached chart reflects virtually all elections in Bossier Parish during the period 1979 through 1993 for local offices featuring one or more black candidates, for which we have election returns. It does not include, however, elections for offices in the City of Shreveport as there is only one precinct in Bossier Parish (Precinct 2-23), which is located in Shreveport. This precinct represents only a small fraction of the city, the vast majority of which is located in Caddo Parish.

The abbreviation to the left of the dash in the "Dist." column denotes the jurisdiction, as follows:

B	Benton
BC	Bossier City
H	Haughton
JDC	Judicial District Court (the 26th JDC consists of Bossier Parish and Webster Parish; the data reported reflect the results of the election only in Bossier Parish)
PD	Plain Dealing
PJ	Bossier Parish Police Jury
SB	Bossier Parish School Board

The abbreviation to the right of the dash in the "Dist." column denotes the office being filled and/or the district number (or letter) for the office, as follows:

A	Board of Alderman
AL	At Large position
C	City Council
M	Mayor
